THE SUMMER INTRODUCTION TO HOCKEY PROGRAM

The Summer Introduction to Hockey Program is for the beginning hockey player who is between 5 and 8 years old as of December 31, 2006. The instructional program will be focused primarily on the basic hockey skills – skating, stick handling, passing and shooting. Each skill is introduced and refined in a progressive “one-step-at-time” manner. Players participate in practice drills, informal and modified games. Although the main emphasis is on fun and progressive skill development, the Initiation Program also allows youngsters to experience:

Cooperation – fair play – fitness – safety.

This summer program will consist of four 1 hour sessions. The program will be held on the following Saturdays from 8:00-9:00 a.m.: July 15, 22, and 29 and August 5.

Required equipment: HECC (Hockey Equipment Certification Council) Helmet with face mask (full cage) and strap, mouthpiece, hockey skates, stick, gloves, pads (elbow and shoulder), shin guards, padded hockey pants, and athletic supporter.
